I am aware of and consent to the following: the collection of the data required by this application form and the taking of my photograph are mandatory for the examination of the visa application. My personal data and my photograph will be supplied to the relevant authorities and processed by those authorities, for the purposes of a decision on my visa application.

Such data as well as data concerning the decision taken on my application or a decision whether to annul, revoke or extend a visa issued will be stored in a visa database for a period of five years. The controller for such data will be the Ministry of Foreign Affairs, European Union and Cooperation. These data will be accessible to the authorities competent for carrying out checks on visas at external borders and, within Spain, to immigration and asylum authorities for the purposes of verifying whether the conditions for the legal entry into, stay and residence on Spanish territory are fulfilled, of identifying persons who do not or who no longer fulfil these conditions, and of examining an asylum application and of determining responsibility for such examination. Under certain conditions, the data will also be available to designated authorities of EU Member States and to Europol for the purpose of the prevention, detection and investigation of terrorist offences and of other serious criminal offences.

I am aware that I can exercise my rights of access, rectification, erasure, portability and restriction and my right to object to the processing of my personal data pursuant to Organic Law 3/2018 of 5 December, on Personal Data Protection and the Safeguarding of Digital Rights, and to Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016, by sending an email to dpd@maec.es.

I declare that to the best of my knowledge all particulars supplied by me are correct and complete. I am aware that any false statements may lead to my application being rejected or to the annulment of a visa already granted.

I am aware that, once the visa application has been submitted, I will receive proof of submission thereof and that the authorities will take into account my preferences as regards the channel to be used to correct any errors, submit additional documents or certificates, receive summons to appear before the authorities and receive notifications of any decisions regarding my visa application.

I will receive all notifications and summons via the telephone number or email address provided by me or by my legal representative. If I fail to respond, the authorities will contact the address provided in the application form, which must be located within the consular district. If no reply is received, an announcement will be published for ten days on the noticeboard of the consular post.

I am required to respond to summons and requests by the authorities within a maximum of ten days, except for summons to appear in person, for which the deadline is fifteen days. If I fail to meet these deadlines for summons or requests, it will be understood that I have withdrawn my application and I will be notified thereof.

Decisions on national visa applications will generally be notified within one month from the day after the submission of the application at the competent consular post, except in the following cases:

- **Applications for non-working resident visas will be decided on within a period of three months. However, this period will be paused while the consular post awaits notification of a decision from the corresponding Central Government Delegation or Sub-Delegation regarding the application for an initial authorization of residence. This period will resume thereafter.**
- **Family reunification visa applications will be decided on within two months.**
- **Visa applications under Act 14/2013 supporting entrepreneurs and their internationalization will be decided on within 10 working days.**

Visas issued must be collected within one month, except in the case of family reunification visas and student visas, which must be collected within two months. If I do not collect my visa within this time period, it will be understood that I have rejected the visa and the application will be withdrawn.

I understand that, even if my application is rejected, fees paid will not be reimbursed.
